GRAB A COLD ONE

The city's latest (and craziest) gelato and ice cream

The green bean and mint gelato at [L'Albero dei Gelati](#). So this was weird...but amazing. You know how refreshing a cold summer salad can be? It's like that. The owners recommend pairing this with wine and cheese (how Italian). Luckily enough, all those things are served at the shop, so prepare to dive into a big ole scoop with a charcuterie board on the side.

L'Albero dei Gelati, 341 Fifth Ave. (at Fourth St.), Brooklyn; 718-788-2288
