### NYC's Best Italian Restaurants

A very buon appetito to you

### L'Albero dei Gelati

Sweet (and savory) gelato is the name of the game at this Italian gelateria, but equally satiating are the Panini of hearty house-baked Ciabatta stuffed with local cheeses and meats. We suggest the Chioma (smoked speck, artichoke cream), the Fiore (quark, prosciutto), or the Seme (ricotta, pistachio pesto, lemon peel).
